

PRIVACY AND SECURITY POLICY

This application is owned by PowerStacks Corporation (“**POWERSTACKS**”). POWERSTACKS is committed to protecting the privacy of customers while they interact with the content of the POWERSTACKS template app (the “Application”). This Privacy and Security Policy applies to the Application only. It does not apply to other websites to which we link nor other products or services we offer outside the Application. Because we gather certain types of information about our users, we want you to understand what information we collect about you, how we collect it, how that information is used, and how you can control our disclosure of it. You agree that Your use of the Application signifies your assent to this Privacy and Security Policy. If You do not agree with this Privacy and Security Policy, please do not use the Application.

1. INFORMATION COLLECTION AND USE

1.1. COLLECTION. We collect information You provide directly to us upon installing the Application from the Microsoft App Source. This is limited to: Title, First Name, Last Name, Company, Country, Email address, Phone number.

1.2. USE. We may use the information we collect about you for a variety of purposes, including:

- Provide, maintain, and improve the **Application**
- Send **You** technical notices, updates, security alerts and administrative messages
- Respond to your comments, questions, requests, and provide customer service and support
- Communicate with **You** about services, features, surveys, newsletters, offers, promotions
- Contests, events, and provide other news or information about **POWERSTACKS** and our offerings
- For marketing or advertising purposes
- For other purposes about which we notify You

1.3. POWERSTACKS only uses Your personal information for the original purposes it was given. Your personal information will not be sold or otherwise transferred to unaffiliated third parties without Your approval at the time of collection.

2. SECURITY

2.1. We value Your trust in providing us Your Personal Information, thus we are striving to use commercially acceptable means of protecting it. Once the Application is installed into Your environment, no data is transferred, or accessed by POWERSTACKS, and the Application resides entirely in Your Microsoft Azure Tenant. Prior to each synchronization a call is made to our API to confirm that you own a valid subscription.

2.2. Does Power BI meet national, regional, and industry-specific compliance requirements? The short answer is, “yes”. To learn more about Power BI compliance, see the [Microsoft Trust Center](#).

2.3. How does security work in Power BI? Microsoft built Power BI on the foundation of Microsoft 365, which in turn builds on Azure services like Azure Active Directory. For an overview of Power BI architecture, see [Power BI Security](#).

3. CHANGES TO THIS PRIVACY AND SECURITY POLICY

3.1. We may update our Privacy and Security Policy from time to time. Thus, we advise you to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately, after they are posted on this page.

4. CONTACT US

4.1. If you have any questions or suggestions about our Privacy and Security Policy, please do not hesitate to contact us at bi@powerstacks.com.
